## MAKING A LION MASK

### Materials:

- a large open cardboard box
- some poster paints and a brush
- sticky tape and glue or paste
- safe scissors
- materials to decorate your lion

You could paint strips of newspaper, or you could use aluminum foil, wool, ribbon, tissue paper, crêpe paper, or sequins.... Anything goes!

### Directions:

1. Paint your box in bright colors.
2. Cut holes in the box for the lion's mouth and eyes. (Ask an adult to help with this).
3. Stick on the lion's tongue, mane, and beard with tape.
4. Use paste or glue for sequins and other decorations.
