

LEONARDO daVINCI

Project :

- Now I'm going to give you all a chance to be the artist and the model. You are going to draw portraits of each other. We'll pair you up and you will each paint a portrait of your friend. The first thing I want you to do when you sit at your table is title your drawing. Leonardo's painting is called '*Mona Lisa*.' 'Mona' is a term of endearment that means 'my lady'... 'my lady lisa.' So you are going to title your drawing 'My friend_____'. Fill in your friends name. The next line by _____ is for the artist's signature. Write your name there.

- Before you start drawing, take a few minutes to look at your friend. Look at all the details of their face. I have given you a head start with the shape of a head and where the eyes go. You need to fill in the details... eye color, hair color, length, nose, mouth, smiling, teeth missing, freckles, glasses, earrings, shirt color... If you have time, you can add a background, anything you want. It could be a color, trees, mountains, sunset, outer space... You are the artist, you decide. Have fun!
