

Edvard Munch
1863-1944
"The Scream"

Please refer to notes and project ideas included in the folder for this lesson.
Folders are in the art appreciation area of the PTA office.

You will also find a poster of the art in the PTA office. You should hang this in the classroom or hallway for at least a week before your lesson, so the students become familiar with it and curious about it.

The Scream

INTRO IDEAS:

Munch was a Norwegian artist best known for this work. Many of the students will recognize it. It is an expressionist work -- expressionist art is very emotional.

The students will enjoy discussing what may be making this subject scream.

PROJECT IDEAS:

The students will have fun creating their own version of this work. Several ideas are included in the folder.

After your lesson, please don't forget to send home a letter to the parents explaining the art and what their student learned.
