Ask your child about some of these things... Lets see if they can remember : )

- What did Picasso do when he was sad? What colors are used most during this time? What is this art period for Picasso known as? What did Picasso do when he was happy? What is this art period known as?

Ask your grown up/parent(s) if they know where the Daley Plaza in Chicago is? What can you find there? Do they remember 1973? Have they heard of Picasso?

What is cubism? Was this the only style Picasso is famous for?
