Art Appreciation - painter - Henri Rousseau

French Painter (May 21, 1844 - September 2, 1910)

Rousseau worked as a Tax collector in Paris and would paint at night.

He is best known for painting jungle scenes, although he never had been to the Jungle.

Today we learned about two paintings,

The Waterfall

Tiger in a Tropical Storm(Surprised)

Ask what we learned about today.

Here is a fun link to a Henri Rousseau Game!
