

Making Your Own Frank Lloyd Wright Art Glass

You will need:

- Graph paper cut to size
- Pencil
- Shrinky Dink paper cut to size
- Black Flair or Sharpie marker
- Colored pencils

Here's what you do:

1. Use the graph paper and pencil to create your art glass design in the Frank Lloyd Wright style. Remember that he uses **geometric shapes**, and that his designs and the colors he uses are **inspired by nature**.
2. When you are satisfied with your design, trace it using a black Flair or Sharpie marker onto the Shrinky Dink paper. Be sure that you write on the **rough side** of the paper only.
3. Next, color in your design using colored pencils remembering to color on the rough side of the paper only.
4. When you are finished, hand in your Shrinky Dink art glass to Mrs. Anderson to shrink it for you. You will get your final art glass tomorrow!
